

Sci-Qual International Pty Ltd

Company Profile

The Company

SQI is a Queensland Registered Company (ACN 056 777 176) ABN 87 056 777 176. In Australia, auditors are based throughout the country in strategic locations to meet the increasing requirements of our clients. All of our auditors operate under the Sci-Qual Policies and procedures.

SQI is aware of the need to provide a mechanism, which assures its impartiality and integrity. An independent committee from a cross-section of the community has been sourced to overview the operation and act as arbitrators in any appeal situation.

SQI is fortunate to have highly respected representatives from such areas as Academia, Industry and Government on this committee.

SQI is represented on the Association of Certification Bodies, Australia/New Zealand, is a member of Standards Committee QR 10 for Conformity Assessment and is a strong supporter of JAS-ANZ and provides input to their accreditation audit function.

SQI is also a corporate member of Standards Australia and the Australian Organisation for Quality and holds a 1992 Award for Visible Commitment to Total Quality Management, presented through the Queensland Quality Centre.

SQI is accredited by the Queensland Government as a Quality Assured Supplier (Certificate No. 659).

Background
